

# Sample Job Advertisement (Technician)

- **Pride yourself on quality workmanship?**
- **Have experience with problem diagnosis and solutions?**
- **Want to be part of highly motivated and well rewarded team?**

**If yes, then read on!**

If you are looking for a work environment where you will be an integral part of a highly motivated team this may be the position for you. We are a family run workshop located in Manly and we specialise in automotive servicing and repairs. Our aim is to be the premier aftermarket workshop on the northern beaches. Our workshop is state-of-the-art with the latest tools and diagnostic equipment.

Some of your responsibilities will include:

- General servicing and repairs
- Updating the service advisor on job progress
- Attend to customers as required
- Assist other team members as required
- Assistance in the training of apprentices
- Workshop maintenance and cleaning
- Undertaking automotive training and keeping abreast of industry trends and repair techniques.

The successful applicant must:

- Have good problem solving and decision making skills
- Be clean, well presented and punctual at all times
- Be computer literate
- Be highly motivated and have a willingness to continue to learn and improve
- Have a current driver's license
- Have their own tools
- Enjoy working with other motivated technicians in a team focused environment
- Be physically fit.

This is a full-time permanent position available for an immediate start. Hours are Monday to Friday 8:00am – 5:00pm. You will be rewarded with above-award rates + employee bonus and incentive scheme.

If this sounds like you then email your resume to XXXX.
